How to verify the ECSA certificate?

❖ **Hyperlink**

The ECSA certificate can be verified by using the hyperlink at the bottom of the certificate.

❖ **QR Code**

The ECSA certificate can also be verified using a QR code scanner/reader which reads the pattern of black and white that is then turned into a line of text your computer can understand and the certificate should show on your scanner or desktop.

How to certify the ECSA certificate?

❖ ECSA Office

Interim measure;

Two legal persons in the ECSA offices can commission a copy of the digital certificate post verification by the registration department.

❖ This provision is found in the **Electronic Communication and Transaction Act 2002 no 25 of 2002, Section 18**

❖ For any confirmation of registration and/or ECSA certificate, you can email:

❖ Thabo Sereng: Registration Officer: thabo@ecsa.co.za

❖ Daniel Mokwele: Assistant Manager: Registrations Department:
danielm@ecsa.co.za

❖ Valentine Ndlovu: Manager: Registrations Department : valentine@ecsa.co.za.
