

The **Council for the Built Environment (CBE)** is a statutory body established under the Council for the Built Environment Act (no. 43 of 2000). It is an overarching body that coordinates the six built environment Professional Councils (architecture, engineering, construction and project management, quantity surveying, landscape architecture and property valuation) for the purpose of instilling good conduct within the professions, transforming the professions and advising the South African government on built environment related issues.

**CALLS FOR PUBLIC PARTICIPATION ON THE APPLICATION
FOR EXEMPTION OF IDENTIFICATION OF ENGINEERING
WORK (IDoEW) WITH THE COMPETITION COMMISSION (CC)**

What is Identification of Engineering Work (IDoEW)?

It is engineering work reserved to be done only by persons registered with the Engineering Council of South Africa (ECSA).

Status of the Application

The Council for the Built Environment (CBE) submitted the application for IDoEW exemption on behalf of the ECSA to the Competition Commission (CC) in March 2014. The CC is currently investigating this application which entails, inter alia, consultations by the CC with any party or persons that maybe affected by the identification of work.

Public consultation process

Persons, parties and stakeholders that maybe affected by the identification of work are hereby invited to engage with the CC in respect of this application and its anticipated outcome. All inputs in this regard are to be submitted to the CC by no later than 21 November 2014 via:

Database for unregistered persons in the built environment

In order to effectively facilitate engagement on built environment issues, the CBE invites all unregistered persons with a built environment qualification (in Architecture, Engineering, Quantity Surveying, Landscape Architecture, and Property Valuation) to list themselves on the stakeholder database via SHDatabase@cbe.org.za to enjoy the benefit of being:

1. Consulted by the Competition Commission on the IDoW process outlined above
2. Engaged by the CBE on the planned infrastructure roll out program of government and other built environment issues. Submissions to this database will remain open at the CBE until further notice.
