

Date 09 September 2021

Dear Stakeholder

INVITATION FOR COMMENTS ON THE SUB DISCIPLINE SPECIFIC TRAINING GUIDE FOR CANDIDATE ENGINEERING MANAGEMENT PRACTITIONER.

The Engineering Profession Act, Act 46 Of 2000, enjoins ECSA, in terms of section 14(f), to encourage and itself undertake research into matters relating to the engineering profession. In 2020/2021 financial year ECSA conducted a Feasibility Study on Engineering Management as a specified category and it was approved by the Research, Policy and Standards Committee (RPSC).

After the approval of the feasibility study, ECSA developed the Sub Discipline Specific Training Guide for Candidate Engineering Management Practitioner which is now presented to you for your inputs/comments. The purpose for such consultation is to solicit views of the stakeholders in order to enrich the document.

Stakeholders are hereby invited to provide inputs/comments and send their comments on the attached comment sheet, to rpsdservices@ecsa.co.za and Thato@ecsa.co.za on or before **30 September 2021**.

Yours Sincerely

Mr E Nxumalo
Executive: Research Policy Standards
